Time for tea....

Lots of us drink tea everyday and then throw out our used tea bags. Can we find another use for them?

New York based Artist Ruby Silvius creates miniature works of art on dried tea bags.

Using tea leaves....

Tea leaves come in many colours and they look very different according to whether they're wet or dry.

Look at the work of British land artists Andy Goldsworthy and Richard Long. Can you make a work using wet and dry tea leaves in response to one of their works?
