**The Dance**

***Hello Still Lively, Many artists have made work in response to dance. The challenge of capturing the moving figure can lead to some really exciting drawings. I'm sharing some of my favourites today and I will share some photographs from this week's session in the gallery. If you want to try this at home I suggest you watch an episode of Strictly on i-player, alternatively you could ask a member of your bubble to model for you.***

***Please feel free to respond in anyway that makes sense to you. I'm looking forward to seeing what you come up with.***

***Best wishes  
Sam***
